Lee replied that such was the case; that he had in his possession and was ready to submit to the Conference such a statement from C. A. Battle. It was moved that credentials of C. A. Battle be received, together with the written statement of his guilt; that both be filed in the archives of the Conference, and that C. A. Battle be allowed to withdraw from the membership of the church. It was moved by J. G. Snelling that prayer be made on behalf of C. A. Battle, and J. W. Lee was called upon to lead the prayer.

Question 12—Who have withdrawn or been expelled? was raised and answered in the above action of the Conference.

Reports of Board of Lay Activities and of Conference Lay Leader.

—The report of the Board of Lay Activities, including the report of the Conference Lay Leader, was read by J. F. Foster, and adopted. Upon motion of C. W. Crisler, the Secretary was instructed to omit from the report of the Lay Leader paragraphs from the Discipline and such other items as might be found necessary to bring the report within the proper scope for publication in the Minutes.

REPORT OF THE BOARD OF LAY ACTIVITIES.

To the Louisiana Annual Conference of the Methodist Episcopal Church, South:

At a meeting of the Conference Board of Lay Activities, held this day, the undersigned committee was appointed to draft an outline of the special work that this board aims to accomplish during the next Conference year.

We are very deeply impressed with the great benefits that are to accrue to our Louisiana Methodism through the organized efforts as laid down in the manual covering the lay activities, and it is our purpose—

FIRST—To get our entire state organized completely as laid down in the manual, and through this organization to enjoy immediately some of the benefits to come out of this movement.

SECOND—To endeavor to have every charge in the Louisiana Conference, in the absence of its pastor, to be supplied with a lay leader, so that no charge will be without religious services.

THIRD—To bring about a more perfect stewardship and to promote a universal practice of tithing.

With the above objectives, there will result a more satisfactory fulfillment of the Centenary, Educational and other pledges made by our membership.

We recognize the faithful and valuable service rendered this cause in the last three years by our present Conference Lay Leader, Bro. T. W. Holloman, and we unanimously recommend his reappointment as Conference Lay Leader.

Respectfully submitted,

TUDOR B. CARRE, Chairman,
DR. REX SINGLETARY,
S. O. WILLIAMS,
E. M. DECKER,
S. S. THOMAS.

REPORT OF CONFERENCE LAY LEADER.

To the Presiding Bishop and Members of the Louisiana Annual Conference, to the Conference Board of Lay Activities, and to the Laymen of the Louisiana Conference:

As Conference Lay Leader, I beg to make this report, with recommendations and suggestions.

The Laymen's Missionary Movement had its birth in 1906. It was the outcome of the prayers of many that the pressing needs of the mission fields might be met. It added impetus to the missionary activities of the churches and soon began to widen the field of lay activity. It early gripped the hearts and minds of the laymen of our church, and for fifteen years has been an organized activity in our church.

The Centenary campaign demonstrated the extent to which the laymen had been developed as church workers. When the Conference, District and Church Directors had been chosen it was found that more than 70 per cent of them had been lay leaders in circuits, churches, districts and conferences. When the army of Minute Men had done its work, it was found that a very large percentage had been and were lay leaders. And so it was in the Educational campaign. And so it will be, no doubt, in the Superannuate Endowment Canvass.

However, the efforts of the last quadrennium demonstrated that neither its name nor its organization were sufficiently comprehensive. More than a year ago the Executive Committee of the Laymen's Missionary Movement directed its secretaries to visit every Conference and consult with the Conference and District Lay Leaders about the expansion of the work. The outcome was the creation by the last General Conference of the General Board of Lay Activities as a co-ordinate Board of that Conference and of the Conference Board of Lay Activities as a co-ordinate Conference Board and of District, Circuit and Church Boards of Lay Activities. This development, I believe, has been under the guidance of the Divine Spirit and will mean much to the church and the kingdom in the days ahead.

As business marks time during a Presidential election, so the laymen have been during the past year uncertain as to the manner in which to offer their services to the church.

Inability to secure adequate reports makes it impossible for me to give you a statement of the activities of the laymen during the past year.

I bring you, therefore, not so much a report of the past as an outline of the future. And I feel that it is necessary that the Disciplinary provisions as to lay activities be reviewed in that part. I will read certain sections. (Sections 2-6 of the Discipline were read and commended for the earnest study of the pastors.)

It is evident, therefore, that our first task is to see that the organization is completed in every church in accordance with the law of our church. The program of lay activities is epitomized in the work of the following committees in the local church: Evangelistic, Social Service, Missionary, Christian Education Stewardship and Tithing and Lay Speakers. I hope that every Lay Leader and every Presiding Elder and every pastor will secure a copy of the Manual of Lay Activities and digest its contents.

It is evident to me in the next place that an assessment must be laid down and a sum provided for the promotion of the work. Conference and District Lay Leaders must be provided with funds to meet traveling and clerical expenses. A budget will be submitted by the Conference Board. I cannot lay too much emphasis on this matter.

It is clear to me in the third place that the task of direction and guidance and the giving of information is so great that a paid Secretary or Lay Worker must be employed. There is no reason why the layman should not assess themselves to support such a worker. I recommend that this matter be given serious consideration and that by the next Conference, if not sooner, we be prepared to proceed along this line.

There is not time for me to review the whole program of activities. As I see it there are some things that we must do:

- 1 We must teach and practice Stewardship and Tithing until the membership of the church has a conscience on the subject. We

will never pay the ministry a fair wage, we will never pay our Conference claims in full, and we will never move forward "like a mighty army" until the church membership recognizes its obligation and pays its vows to Almighty God.

2. The collection of the Centenary and Education pledges is a sine qua non to the continued progress of our church. Likewise it is a test of the loyalty and of the honesty of church members. We should back up this work so strongly that every subscription will be paid. And in this connection we should put emphasis on the matter of specials. As I see the matter the continuance of a great and forward missionary effort in our church depends largely on the method of giving designated as specials.

3. We must pledge ourselves unreservedly in the effort to secure an adequate Superannuate Endowment Fund.

4. We must help the pastorate fill every unfilled pulpit. I see no reason why the laymen on every circuit should not hold services in every church when the pastor is at another church. I do not see why there should not be a prayer meeting in every congregation and Sunday School. We invite our pastors to develop and use Lay Speakers and to make use of the Evangelistic and other committees to these ends.

Finally, we come to say to the ministry of the Conference that we are not trying to make an additional organization to engulf them in details. We do not want to hold any service in any church against the wishes of the pastor. We feel that we are a part of the Church Militant and we want to put every layman at the service of the church. We are here to co-operate with the pastor in building up his church.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

Respectfully submitted,

T. W. HOLLOMAN,

Conference Lay Leader.

Conference Lay Leader.—Question 41: Who is elected Conference Lay Leader, and what is the report of the Board of Lay Activities? was answered as above by the report of the Board of Lay Activities, this report being adopted by the Conference and confirming the nomination as Conference Lay Leader of T. W. Holloman.

Briscoe Carter Takes Chair.—Calling Briscoe Carter to the chair, Bishop Candler asked the Presiding Elders to meet him in the pastor's study.

Report of the Board of Education.—The report of the Board of Education, and report No. 2 of the Board of Education were read by W. W. Drake and adopted as follows:

REPORT OF THE BOARD OF EDUCATION.

Your Board of Education has considered reports and communications from the General Conference Board of Education and the institutions under the control of the Church with which our Conference is particularly concerned.

The quadrennium just closing has been one of the greatest significance in the history of the educational work of our Church. Our Christian Education Campaign resulted in the securing of pledges for about seventeen million, five hundred thousand dollars (\$17,500,000.00) directly for our schools and colleges, and in addition, through the inspiration of the Campaign, the securing of some six millions, five hundred thousand dollars (\$6,500,000.00) additional from other sources to the resources of our institutions.

These financial returns are, however, not the greatest results of the Campaign. A new educational vision and conscience has been developed in the Church, and our entire section has been impressed as perhaps never before with the importance of Christian Education.

A great army of five thousand, four hundred (5,400) volunteers for life service has been enlisted with the Board. We are, thus, enabled to face the future with largely increased material resources, with a constituency more than ever disposed to maintain and build up a complete system of Christian institutions of education, and a great body of our choice young people in training for leadership in the work of the Church.

We are glad to be able, confidently, to assert that our colleges and universities are more than ever determined to fulfill the mission to which they are called. They are fundamentally sound in their teachings, and are striving earnestly to develop the religious life of their student bodies.

We are gratified to report that the Southern Methodist University is enjoying the most successful and prosperous session in its history, with a total enrollment of one thousand, seven hundred and ten (1,710). There are 172 students altogether in the classes of the School of Theology, 50 of whom are A.B. graduates, taking the course for the B.D. degree. At least four students from our own Conference are taking the theological course. The financial condition of the university is better than ever before. Special and appreciative mention should be made of a record bequest of several hundred thousand dollars by Col. L. A. Pires, of Dallas, formerly a resident of this city, but not a member of our Church.

The development and progress of Centenary College is remarkable and gratifying. The institution is operated as really two institutions, the college and academy, with separate faculties, separate dormitories and separate chapel assembly. The enrollment of the college department up to date, for this session, is two hundred and six (206); about double that of last year, and of the academy one hun-

dred twenty-four (124). The total faculties of college and academy include twenty-five. The property is valued at \$375,567.39, and endowment at \$648,134.00.

The chief difficulties in the administration of the college are those which grow out of its rapid development, which imperatively demands the addition of new buildings and equipment more rapidly than resources are available to make these additions. If some friend of Christian education, blessed with wealth, would erect a building to fill one of the pressing needs, it would be a superlatively wise and helpful benefaction.

The report of Mansfield College is especially interesting, as it reviews the progress of the school through the ten years of the effective administration of President Bobbitt. The annual receipts have increased in that period in round numbers, from \$15,000 to \$52,000. The present enrollment is 188, of whom 83 are in the two classes doing college work. There are 105 boarding students. This enrollment could be largely increased, if additional buildings and equipment could be provided. A large gift for such building needs would be far-reaching investment in the making of Christian womanhood and the future citizenship of the State.

We recommend the passage of the following resolutions:

RESOLVED, No. 1: That in co-operation with the plans of the General Conference Board for carrying on the Christian Education Campaign, we direct that the week including the last Sunday in January and the first Sunday in February, be set apart as pay-up week when special effort shall be made for the collection of all pledges due up to date.

RESOLVED, No. 2: That we pledge our co-operation as a Conference in the plans of the General Conference Board in the promotion of religious education in the home and in connection with the public schools.

Changes in Boards.—Upon nomination of the Presiding Elders, D. B. Boddie was elected a member of the Board of Church Extension

in the place of W. L. Duren, and W. L. Duren was elected a member of the Board of Education in the place of D. B. Boddie.

Report of Commission on Budget.—The new Commission on Budget made the following report:

REPORT OF COMMISSION ON BUDGET.

To the Louisiana Conference:

Brethren: Your Commission on Budget met and organized, with Bro. W. R. Harvell as President and S. M. Russ Secretary. We recommend the election of Bro. J. G. Sloane as Conference Treasurer.

Respectfully submitted,

S. M. RUSS,
Secretary.

F. S. Parker moved to amend the report by substituting the words, "City Savings Bank and Trust Company" for the name of J. G. Sloane, and he spoke to the amendment. The question was further discussed by W. W. Drake and W. R. Harvell. The question was put on the amendment; the chair was in doubt and division was called for. The result was as follows: For, 57; against, 47, and the amendment prevailed. Vote was then taken upon the report as amended and the report was unanimously adopted.

Report of the Committee on District Conference Records.—The report of the Committee on District Conference Records was read by P. H. Fontaine and ordered to record as follows:

Report of the Board of Church Extension.—The report of the Board of Church Extension was read by W. S. Henry and adopted as follows:

REPORT OF THE BOARD OF CHURCH EXTENSION.

To the Bishop and Members of the Louisiana Conference:

Brethren: Your Board of Church Extension begs leave to submit the following report:

We recognize in the Church Extension Society one of the greatest factors for the extension of the kingdom of God at our command. The great need for adequate buildings is oftentimes encouraged by means of the help it is able to extend, and small churches are planted where, without its aid, it would be impossible.

We could wish that we had a much larger sum at our disposal, and we earnestly request that the Church Extension work be constantly kept before the local charges.

We had for distribution this year two thousand six hundred eighty-nine dollars (\$2,689.00). After carefully considering every application, we submit the following:

Report of the Committee on Evangelism.—The report of the Committee on Evangelism was read by A. S. Lutz and adopted as follows:

REPORT OF COMMITTEE ON EVANGELISM.

We, your Committee on Evangelism, beg leave to report that we rejoice in the good work done in the revivals held this last year. We had a larger number of conversions and accessions than in any recent years.

We wish to indorse and heartily co-operate with the Sunday schools in their program of Evangelism for the spring.

We wish, also, to suggest that a series of meetings be held among the young people, and especially bring to them the message of a Divine Call to life service.

We recommend that George D. Anders be appointed Conference Evangelist. We also recommend Bro. D. L. Griffin, a local elder of Shreveport, La., Route 1, to be listed as an approved Evangelist.

We recommend that Martin Hebert be appointed as a Missionary Evangelist.

Respectfully submitted,

ALBERT S. LUTZ,

Chairman.

Report of the Orphanage Board.—The report of the Orphanage Board was read by J. M. Alford and adopted, and the report of the Board of Directors of the Orphanage and the report of the Superintendent of the Orphanage was filed for record.

REPORT OF THE CONFERENCE ORPHANAGE BOARD.

To the Bishop and Members of the Louisiana Annual Conference:

Dear Brethren: We rejoice to note the excellent work being done at our Methodist Orphanage, under the wise management of Rev. R. W. Vaughan. The year now closing has by far been the best in the history

of the institution. The Methodists of Louisiana are doing a great work in caring for helpless children, not only for their temporal needs, but providing an ideal Christian home as well as educating and training for usefulness in life.

We have examined the reports of the Superintendent and the Board of Directors and find them in every way satisfactory.

We thank the Methodists and all friends of our great institution for their hearty responses to the call of the Superintendent for help, and urge that we shall never become weary in well-doing. We recommend that the usual days, viz., Easter Sunday and Orphanage Day in October, be designated as the special times for liberal contributions for the maintenance fund for our Orphanage.

We request that our people shall not neglect their duty in the matter of paying pledges for the building fund. We are in great and immediate need for enlarged facilities for our fast growing work.

We recommend that Rev. Briscoe Carter be appointed Conference Secretary of the Louisiana Methodist Orphanage.

We heartily concur with the Board of Directors in recommending that Rev. R. W. Vaughan be reappointed as Superintendent of the Louisiana Methodist Orphanage.

Respectfully submitted,

J. M. ALFORD,

For the Board.

REPORT OF BOARD OF DIRECTORS LOUISIANA METHODIST ORPHANAGE.

To the Presiding Bishop and Members of Louisiana Annual Conference:

On behalf of the Board of Directors of the Louisiana Methodist Orphanage, I beg leave to submit the following report for the Conference year now closing:

The year has been an exceptionally successful one from every viewpoint, except along the line of increasing our housing capacity. We have not been able to begin building yet, but hope to do so before the new year has advanced very far.

We have received this year more money, by far, than we have ever before received in any one year; the health of our little colony of orphans was never better than it has been the past twelve months; the children are making better progress in their school work than ever before, and there was never a more general spirit of contentment and loyalty on the part of the children toward the institution and its management.

Our institution is growing and advancing along all lines; and in no particular is this more evident than in the increase in value of our plant, which, at a fair market value, is safely and conservatively valued at \$175,468.13; and that, too, without a dollar of indebtedness on the part of the institution.

The full and comprehensive report of the Superintendent, Rev. R. W. Vaughan, accompanying this report, will amply repay the friends of our institution for the time and trouble of carefully reading it. It is a correct review of the work done by the board and the management the current year; and we earnestly commend it to your investigation and criticism.

It is especially urged that Easter Sunday in the spring and Harvest Day in the fall be observed in all our churches and Sunday schools as Orphanage Days.

The terms of four of the members of the Board of Directors expire with the present Conference year. Those members the: T. L. James, S. D. Pearce, J. H. Mays and Rev. R. H. Wynn. They were all re-elected and the Conference is asked to confirm their election. Our most excellent and worthy Superintendent was also re-elected, and we also ask that he be also confirmed.

Respectfully submitted,

S. D. PEARCE,
President Board of Directors.

ANNUAL REPORT OF THE SUPERINTENDENT OF THE LOUISIANA METHODIST ORPHANAGE.

To the Honorable S. D. Pearce, President, and Members of the Board of Directors of the Louisiana Methodist Orphanage, in session, Tuesday, October 31st, 1922.

I take pleasure in presenting my thirteenth Annual Report, detailing our work from October 1st, 1921, to October 1st, 1922.

We have had 150 children under our care during the year. We received twelve new children and dismissed thirteen. Of the number discharged, one left on his own accord, seven were returned to relatives, two graduated, one married, one entered training and one placed in private home. We now have 137 children in our care. We have had no deaths, and the health of the children has been good.

The children have made their usual good progress in their school work, and our own school has done most gratifying work. A number of the children have joined the church during the year, and the spirit among them has been fine.

The following is our financial showing:

We have no debts.

We are carrying \$40,000.00 fire insurance and \$15,000.00 tornado insurance with all premiums paid.

Our agricultural products have been fairly good, but cut shorter than usual on account of the prolonged drought.

We have installed a four-inch water line with the regular city water supply main, with fire plugs, which affords us an ample supply of water and full fire protection. We have also perfected our sewer line giving sewerage facilities and relieving a dangerous source of health infection.

Final settlement was affected with the Estate of Floyd L. Prince, whereby we realized \$5,000.00 cash, in addition to the amount of \$2,000.00 left in the will, making a total of \$7,000.00 received from the estate. Of this amount \$5,500.00 is held to bear interest, this perpetuating the name and memory of this noble benefactor.

No further progress has been made in developing our much needed enlargement plans, other than finally agreeing on plans for the erection of one of the cottages, which we hope to begin work on within a few weeks. Certain plans for the further effort to secure additional funds for this purpose have been under contemplation by your committee, which we trust may be perfected, and with the indorsement of our Annual Conference, we hope to secure sufficient encouragement to proceed until our plans have been fully completed.

You will notice by our financial statement, that this has been the best year financially we have ever had in our work. We can but feel that our people are taking more interest in the work and are becoming more liberal in their donations. In several respects this has been the most encouraging year we have ever had. The children have been unusually well, contented and happy; the school work has

been gratifying; four of our girls graduated at high school, one secured the degree of B.S., completing the Senior College work in the Louisiana Polytechnic Institute, and another graduated as a trained nurse from the North Louisiana Sanitarium, of Shreveport.

Our building, unfortunately, is badly overcrowded, and we have been compelled to refuse many homeless children that have appealed to us for a home and a chance. As already stated we have hope very soon, by the erection of one or more of our buildings, to relieve this congestion, and to respond to many of the calls that come to us for aid.

We are still dependent on our people for the necessary funds with which to operate and carry on our work. We know of no better plan than that which has been so helpful in past years, and we ask that the collections in our Sunday schools and churches be taken on Easter Sunday in the spring and Harvest Day in the fall, for our work.

Again thanking you for your co-operation and hearty support in our task, and assuring you that we look with confident hope to the future, and trusting in the sustaining care of the Father of us all, I am,

Faithfully,

ROB'T W. VAUGHAN, Superintendent,
Louisiana Methodist Orphanage.

Report of the Committee on Prison Reform.—The report of the Committee on Prison Reform was submitted, without reading, by H. S. Johns, and ordered to record as follows:

REPORT OF COMMITTEE ON PRISON REFORM.

To the Bishop and Members of the Louisiana Annual Conference:

Your Committee on Prison Reform begs leave to present the following report:

The number of prisoners in the Louisiana State Penitentiary on October 31, 1922, was 1,619, as against 1,505 one year ago, thus showing an increase of 114.

At the conclusion of the World War in 1918, from clean-ups instituted by the government, all idlers put to work, or in the army or navy, the prison population had dropped from 2,200 in 1916 to only 1,300 in 1918.

However, since the close of the war, with vice and immorality as aids, with many having learned the ways of the underworld, crime has rapidly increased, until now, in spite of many being released on good time and parole, the number has so increased that Angola farm has been enlarged to provide work for the newcomers.

The increase of crime subsequent to the recent World War was the subject of inquiry by experts at the recent session of the Prison

Congress at Detroit, with the result that the fact was established that this increase is from new sources, and not the old offenders getting out and returning.

The new methods of living, with the usual failures, naturally suggest crime.

Your committee finds the prisoners of this state well housed, fed and clothed. Only last Sunday a member of this committee found at Quarters E, Angola, where 225 white men were on the count, not one in hospital.

The use of artesian water at Angola, good food and warm winter clothing has almost eliminated sickness. Throughout the institution the best of care is taken of the prisoners, with the result that disease has been reduced to a minimum.

Great credit should be given Hon. H. L. Fuqua, General Manager, and Hon. A. D. Bryan, Warden, for the many reforms instituted. Still let no one think that good, honest work is not required.

Our good time laws with parole acts as a mighty incentive to the prisoners to good behavior so as to obtain freedom at the earliest possible moment, and to this, with our many other inducements, we attribute our peace and harmony. Other states have their prison mutinies, but not in our state has anything occurred of this sort in many years.

And our men are being reformed, as only about 13 per cent, so far as we can ascertain, return to us as second offenders; while of 1,400 paroled during the eight years of the parole law, only 10 per cent have broken parole and returned to prison or escaped from the state.

The prisoners have regular services of preaching, Sunday school, Bible circulation, etc., and we believe this enters in a large degree toward their rehabilitation.

Respectfully

H. S. JOHNS,
W. C. CHILDRESS,
D. C. BARR.

Report of the Board of Christian Literature.—The report of the Board of Christian Literature was read by H. W. Rickey and adopted as follows:

REPORT OF THE BOARD OF CHRISTIAN LITERATURE.

Ignorance is the mother of many superstitions. The serum for poisonous falsehoods is the printed and proclaimed truth. If there had been no written parchments we would not possess an unadulterated gospel.

Infidelity, enemies of the Cross and the Church of God and the Christian civilization send forth tons of pernicious printed errors. The Church can only retain the purity of her doctrines, her disciplinary

mode of procedure, and her great plans of progress by reading. The sons of error, armed with text-books, as tools of sharp edge, are cutting the nerves of faith in secular classrooms that bind our youth to the Church of God.

If we hold the next generation we must teach that which we most surely believe in our Sunday schools, Leagues, Missionary Societies, and pulpits as Methodists.

The standard for every Methodist home is a Bible, Discipline, Hymnal, the Nashville and the New Orleans Advocates, the Era and the Missionary Voice. If these be read, marked, inwardly digested, our Methodist homes will not be lacking in loyalty, liberality, intelligence or enlistment in church activities.

There is a looseness in our loyalty among not a few that amounts to lawlessness because many are ignorant of our doctrines, Discipline and church publications.

As we all use the Advocates, let us solicit new subscribers and renewals.

We recommend that Revs. John F. Foster, Stephen J. Davies and Charles C. Miller be continued as the Publishing Committee of the New Orleans Christian Advocate for the Louisiana Conference.

We request our Bishop to reappoint H. T. Carley, Editor of the New Orleans Christian Advocate.

We recommend that we buy all our Christian Literature through the Publishing House and thus help the superannuate proceeds.

We appreciate the excellent Book Exhibit furnished by Col. Everett and his staff at this Conference.

We wish to thank Rev. R. H. Harper for the promptness and neatness with which the Annual was gotten by him to us.

Your committee commends the able manner in which the New Orleans Christian Advocate has been edited and published.

C. C. MILLER,

Chairman.

H. W. RICKEY,

Secretary.

3. Not less than fifty preachers completing one or more units of credit in the standard training course each year and being recognized on the Conference Honor Roll annually.

4. Not less than fifty superintendents completing one or more units of credit each year.

5. A minimum of five hundred credits issued to workers during 1923, with an increase over this number each succeeding year.

W. S. HOLMES, Chairman,
J. L. EVANS, Secretary.

Bishop Candler Resumes Chair.—Bishop Candler returned to the Conference room and took the chair.

Report on Sabbath Observance.—The report of the Committee on Sabbath Observance was read by P. O. Lowrey and adopted as follows:

REPORT OF COMMITTEE ON SABBATH OBSERVANCE.

The times upon which we have fallen have brought us a problem in maintaining the sanctity of our Christian Sabbath that demands more than individual and local treatment, and your Committee is heartily in sympathy with the purposes of the Lord's Day Alliance of the United States of America and its policy of forming auxiliary organizations in each of our several states, for setting forward a solid and unbroken front against the growing tendencies to secularize the Day that Almighty God commanded us to remember, "to keep it holy."

Furthermore: we note that our General Conference at its 1922 session committed itself to the purposes of this Alliance, and instructed its Committee on Temperance and Social Service to elect representatives to councils of the Alliance, and commended the organization to the financial support of our Methodist membership.

We therefore recommend that this Conference move toward the organization of a Louisiana Auxiliary to the Lord's Day Alliance of America, and that our denominational quota of two laymen and two ministers be appointed by this Conference to represent us in such an organization, and that we give hearty and material support to its purposes and work.

We further re-commit ourselves to the task of teaching and training people by exhortation and example to keep holy this Divinely-appointed and constitutionally-needed Day of rest and worship, especially rebuking the too-prevalent tendencies in some sections of our State to desecrate this Holy Day in sporting and pleasure-seeking. If we would save our people from spiritual degeneration and help Christ's Church in the speediest evangelization of the world we must with zeal guard the Day the Almighty has consecrated for worship and Christian fellowship. For our church's members on the proposed State Auxiliary to the Lord's Day Alliance of America, we nominate A. M. Mayo, J. R. Ables, L. E. Crooks and P. O. Lowrey.

Respectfully submitted,

A. W. WADDILL, Chairman,
P. O. LOWREY, Secretary.

Report of the Bible Society Board.—The report of the Bible Society Board was read by A. A. Bernard and adopted as follows:

REPORT OF THE BIBLE SOCIETY BOARD.

To the Bishop and Members of the Louisiana Conference:

Dear Brethern:

The Bible Society Board submits the following report:

The American Bible Society has submitted a report of the work accomplished during the past fiscal year by its Southwestern Agency, comprising the states of Louisiana, Arkansas, Oklahoma and Texas. The American Bible Society operates hand in hand with the Christian churches on both home and foreign fields. It exists solely for the purpose of broadcasting the Holy Scriptures, without note or comment. Its work is therefore that of translation into the common dialects, publication in styles and at costs most convenient for all classes of people, and distribution by gifts and sales with no thought of profit. It has issued more than 140,000,000 copies of the Scriptures in more than 770 languages and dialects and twelve systems for the blind. The Southwestern Agency has distributed more than 123,000 volumes of the Scriptures within its bounds during the past year, in thirty-four different languages. More than 21,000 of these have been distributed

from the New Orleans Agency alone; 2,000 going into hospitals and jails.

We earnestly request that Methodist parents everywhere erect the family altar and give God's Word its place.

We desire to place ourselves on record as favoring the reading of God's Word in the public schools of our land. To attempt any kind of education and neglect the Word of God certainly shows that we fail to recognize the fundamental in education.

The Bible Society would have no one without a Bible, not even the poorest for whom Bibles may be procured without cost, if necessary. A letter to Rev. J. J. Morgan, Secretary Southwestern Agency, American Bible Society, Dallas, Texas, will bring, on consignment, any Bibles needed by our pastors for distribution among their congregations.

The financial assistance that our church gives is not adequate to the needs of the Society, and therefore we urge those who are able to do so to make substantial gifts to it, in order to enable it to carry out its plans to send the Word to men everywhere. To this end we commend the observance of Universal Bible Sunday, as outlined in literature sent out for that purpose by the Bible Society.

Respectfully submitted,

A. A. BERNARD, Chairman.

P. O. LOWREY, Secretary.

Report of the Hospital Committee.—The report of the Hospital Committee was read by A. J. Gearhead and adopted as follows:

REPORT OF THE HOSPITAL COMMITTEE.

Your Hospital Committee which by your action will be the Hospital Board for the next quadrennium desires to direct the attention of our Methodism in Louisiana to these words from the Episcopal Address to our General Conference held in Hot Springs, in May of this year:

"It is to our sore discredit that with more than two millions of members distributed over one of the most prosperous sections of the world we have but few hospitals worthy of the name in this day of advancement in the healing and surgical art."

It wishes further to voice its delight that our great church at its last General Conference enacted legislation incorporating in our Discipline a chapter providing for hospital work as a part of our task in rendering Christian service to humanity. This committee feels that wisdom was exercised by the General Conference in its choice of the personnel of the first General Hospital Board and in turn did that Board act wisely in selecting Bishop Warren A. Candler as its first President and Dr. Charles C. Selecman of Dallas, Texas, as its first Secretary.

At present your Committee desires only to register its hearty approval of the steps taken thus far by our church and to urge that the pastors of this Conference begin at once to make effective the suggestions handed down to us by the General Hospital Board as follows:

1. That in each charge the pastor appoint a Charge Director of The Golden Cross Society and that a campaign be carried forward to the end that all our Louisiana Methodists be enrolled in this new Christian society with a heart for helping humanity.

2. That by use of the pulpit, the public meetings of all organizations within our various charges and through the columns of the press our pastors conduct a publicity campaign until all men everywhere shall know that our beloved Methodism in its material strength is reaching out to help bear the infirmities of the weak.

3. That the Louisiana Annual Conference in session, by the act of adopting this paper, does unqualifiedly endorse the movement already inaugurated looking to the establishment of hospitals at convenient centers throughout the entire connection, and that it does pledge itself to labor unsparingly until The Golden Cross Society is organized in all our churches and its membership represents our entire numerical strength.

Your committee has decided not at this time to nominate a Conference Director of the Golden Cross Society, but, through its secretary and treasurer, to have placed in the hands of all pastors a sufficient number of blanks to enroll the full membership of our church in The Golden Cross Society, and it urges that the matter be completed by Christmas.

HENRY FELGAR BROOKS, Pres.

A. J. GEARHEAD, Secretary.

Report of the Board of Missions.—The report of the Board of Missions was read by A. J. Gearhead and adopted and the report of the Treasurer of the Board was ordered to record, as follows:

REPORT OF THE BOARD OF MISSIONS.

The week of December 3-10 has been designated as the time for all to pay their Centenary pledges. It has been brought home to us in a most forcible manner that great damage would be done if our church should be forced to adopt a policy of retrenchment at this time. We have covenanted to do a great missionary work and we dare not break faith with those who are depending on us to lead them to a rich experience in Christ Jesus. Our people must pay these pledges. Your Board urges that the members of this Conference go to their charges and lead their people in this task of paying these pledges. By leading we mean more than exhorting the people to pay and organizing the forces to make collections; we mean for the preachers to pay their own pledges, even if it means a sacrifice, and thus by precept and example lead in this pay-up week.

Your Board entertains the fear that as preachers we are not educating our people enough regarding the fundamentals of missions. We have preached for drives rather than for the purpose of teaching that missions is an elemental part of Christian life. We must bear down on the fact that a church must be missionary to live, and the individual must be missionary in belief and conduct or fail utterly to fulfill the commission Christ has given to the whole church.

Being a missionary church means more than paying assessments. Your Board believes the pastors of stations should search out places for the preaching of the Word and on Sunday afternoons and during week nights undertake to evangelize and organize new congregations. It believes that able laymen should go to the country churches and hold services on off Sundays and make the new laymen's movement a missionary movement of more than organization proportions. It believes that congregations able to do so should help bear the financial burdens of weak churches and should arrange to spare their pastors so that the stronger preachers could help in revivals in the smaller churches.

The General Board of Missions informs us that our missionary work will suffer shortly unless Sunday schools, churches and individuals assume specials in missionary work. The truth of this is evident when we look at our own Board's financial returns. Each year of the Centenary period shows a smaller amount of money coming in and the requests remaining high. Many missions must be assumed personally or by organizations and our general offerings must remain the same or higher if we are to keep step with the progress that our plans have set for us. We cannot do less.

We have had before use many requests for money. They have not all been granted. We have tried to administer the money in our hands, by the advice of the presiding elders and according to the judgment we have, in such a way as to do the most good. By refusing some requests we have not said they were unworthy but that other places were more needy.

The following are the appropriations for the Conference year 1922-23:

Report of New Orleans Depository.—The report of the New Orleans Depository was read by J. F. Foster and ordered to record as follows, also the report of the Treasurer of the Board of Trustees of the Depository:

REPORT OF THE TRUSTEES OF THE NEW ORLEANS DEPOSITORY.

Dear Brethren:

I herewith submit the report of the New Orleans Methodist Depository, property located at 512 Camp Street, New Orleans, La., for the Conference year of 1922, as follows:

We have leased the building to the same tenants to October 1925, thirty-six months at \$100.00 per month, subject to the repairs for agreed upon and which were necessary.

The building is now in first-class condition and will need no repairs for some time, unless something unforeseen should happen. The repairs included the brushing down of front of building and the painting of same.

As chairman, I devoted some time in taking up the matter of reduction of assessments, as the Board of Assessors in 1921 raised the assessment to \$14,000.00, whereas we were paying on a much smaller assessment. After devoting several hours each day for several weeks, I finally had the assessors to reduce the assessment from \$14,000.00 to \$8,000.00 and to act as the basis not only of 1922, but for 1921 as well, thereby saving the board quite a nice amount in taxes.

We would suggest that the members of the Publishing Committees meet with the members of this board and arrange to locate a proper office or offices for the Presiding Elder of this district, as we feel same could be easily arranged, being centrally located to meet the convenience of all ministers, laymen and the public.

Respectfully submitted,

H. F. FOSTER, Chairman.

Report of the Epworth League Board.—The report of the Epworth League Board was submitted, without reading, and adopted as follows:

REPORT OF THE EPWORTH LEAGUE BOARD.

To the Bishop and Members of the Louisiana Annual Conference:
Dear Brethren:

Your Epworth League Board has gone carefully into the statistics gathered for the year.

We note with deep gratitude the enlarging growth of the Leagues throughout the State. There has been an increase in Chapters of approximately thirty. The membership of these Chapters now number over fifty-five hundred.

We recommend the following as a policy for the Board in its work during the coming year:

Be it the policy of the Louisiana Conference Epworth League Board and every member of the Louisiana Conference:

First—To promote the observance of Anniversary Day in accordance with the Discipline in every congregation within the bounds of our Annual Conference the second Sunday in April or as near thereto as possible.

Second—That every member of the Board by pen and voice advocate the young people's work and the members in the Board in the several districts shall co-operate with the Presiding Elder during the year. The Executive Committee shall be responsible for the presentation of an adequate League program at each District Conference.

Third—To co-operate with the Conference officers in building up a Conference spirit of unity, and putting over the great Conference Policy, which has been outlined by the Conference organization.

By first having each District Board member co-operate with the Conference District Secretary in sub-dividing and organizing each District into the necessary units and conducting an adequate program of training in each District during the year.

By second, creating a Church consciousness on the League Work among every congregation.

By third, appropriating funds out of the Board Treasury for the promotion of the Fifth Annual Assembly and the Conference Work.

Respectfully submitted,

LELAND CLEGG, President.

Report of the Board of Temperance and Social Service.—The report of the Board of Temperance and Social Service was read by J. M. Alford and adopted. It was moved by C. W. Crisler that the Secretary be authorized to edit the report so as to bring its most important items within the proper scope for publication in the Minutes.

REPORT OF BOARD OF TEMPERANCE AND SOCIAL SERVICE.

To the Bishop and Members of the Louisiana Conference:
Dear Brethren:

Again we are called upon as a great church to express our disapproval of some of the prevalent evils. Perhaps never before has there been occasion for greater alarm and cause for more immediate action. The world is pleasure mad. The picture shows, the fascinating modern dance and other things have hurt the spiritual life of our people. We therefore urge that our churches provide the proper recreation where the natural social inclinations of our young people may be directed in the right channel.

The question of Temperance and Social Service comprehends a large sphere of activity in human life and should command our individual attention. Wherever a wrong exists, and wherever human needs abound, we cannot remain silent and stand idly by without forfeiting our right to be called the followers of Him who "came not to be ministered unto, but to minister."

We are told that Christ went about doing good. When we obey His command to serve we ally ourselves with the constructive forces of His kingdom on earth. Practical Christianity, then, is always expressed in sympathy for others and a desire to make them better. The highest and noblest conception of life finds its expression in service. We can not properly appreciate our true mission in life without a recognition of the universal brotherhood of man as well as the eternal fatherhood of God.

In the spirit of the Christ we have helped men, and we are helping them in various ways. The suppression of the liquor traffic, so far as the legalized saloon was concerned, was a great victory to humanity. But we are face to face with the fact that while the lion is chained he is still alive. Our task is law enforcement. This can be done if we are always tactful and will always vote as we pray. Thank God, the law can be, and will be, enforced where the people want it done. Where the officers of the law are in complicity with crime it is difficult to suppress lawlessness. Therefore we urge our people to see to it, both by their vote and influence, that men are elected to office who both love and obey our prohibition laws.

We most heartily enter our protest against the proposition to reinstate light wines and beer. This in effect would cut the heart out of the national prohibition law. We call upon our people to see to it that none but 100 per cent men are elected to our state legislatures and to the national Congress. We commend the efficient work of the W. C. T. U., and encourage every effort on the part of any and all organizations and encourage every movement for the final extermination of strong drink as a beverage and pledge our prayers and unstinted support for world-wide prohibition.

We recommend total abstinence and deplore the fact that "moonshiners" can even have an existence in our civilized country. Our motto should be: "A sober nation and a saloonless world." We emphatically deny that the results of the recent Congressional elections mean a weakening of the temperance cause in our country.

We stand forever and eternally opposed to the iniquitous practice of race gambling and every other form of vice.

We recognize the important and efficient work of A. W. Turner as the Superintendent of the Anti-Saloon League in Louisiana, and we recommend his reappointment to this position.

Respectfully submitted,

J. W. FAULK, Chairman,
J. M. ALFORD, Secretary.

Report No. 2, Board of Missions and Committee on Evangelism.—A. J. Gearhead read Report of the Board of Missions No. 2, nominating the Committee on Evangelism, and the report was adopted as follows:

REPORT No. 2 OF THE BOARD OF MISSIONS.

Committee on Evangelism—H. T. Young, J. G. Snelling, W. F. Henderson, Jr., T. W. Holloman, S. S. Thomas.

Respectfully submitted,

A. J. GEARHEAD, Secretary.

Resolution of Thanks.—The following Resolution of Thanks was read and unanimously adopted by the Conference:

RESOLUTION OF THANKS.

RESOLVED: That the members of the Conference are deeply grateful to the people of Shreveport for the privilege of enjoying their fine hospitality during the present session of the Louisiana Annual Conference.

We feel that special mention should be made of Dr. H. F. Brooks, pastor of the congregation, for his untiring efforts that no want of any member, board or committee be unsatisfied. We feel that his congregation, fellow pastors and Methodists of the whole city, Cedar Grove and Bossier City have stood with him in all that he has done.

The Conference is indeed grateful to the Shreveport Times for the splendid and fair type of publicity given the Conference. In like manner should the Shreveport Journal be mentioned. We are grateful to the Borroughs Adding Machine Company for the use of its machines; the President, professors and ladies of Centenary College for hospitalities extended and to the ladies of all the churches of Shreveport for the bounteous and delicious luncheons served in the dining room daily.

It is impossible to call specific attention to all the benefits Shreveport has offered us and be it finally said that we have had a most delightful session and our hosts are responsible for our delights.

A. J. GEARHEARD,
W. W. HOLMES,
J. F. FOSTER,
H. T. CARLEY.

CONFERENCE RULES.

REPORTS AND RESOLUTIONS.

Resolved, That all resolutions, memorials and reports of boards and committees coming before the Conference be submitted in duplicate.

ASSESSMENT RULES.

Resolved, That whereas the Louisiana Conference has adopted a resolution ordering that the amount apportioned to each district be distributed among the various charges in proportion to the membership and the amount paid for ministerial support during the past quadrennium, we hereby memorialize the Louisiana Annual Conference that said distribution in the several districts be based upon both the membership and the amount paid for ministerial support of the preceding year instead of the preceding quadrennium as heretofore; and that the Secretary of the Annual Conference be required to furnish data to each of the presiding elders in order that the said divisions may be made.

And that all resolutions with reference to the distribution of the assessments in conflict with the above resolution be, and are hereby repealed.

WIDOWS OF DECEASED PREACHERS.

Resolved, That the names and postoffice addresses of the widows of the deceased members of this Conference be added to the Conference Roll, as published in the Minutes.

Resolved, That the Secretary of the Joint Board of Finance be requested to write to each of these widows, requesting her to give a statement in regard to her temporal circumstances and those dependent upon her, for the information of said Board.

QUADRENNIAL ORPHANAGE BOARD.

A Conference Orphanage Board, composed of one lay member from each District and equal number of clerical members, shall be elected at the first session following the General Conference, to serve during the ensuing quadrennium.

DATA FOR MEMOIRS.

Whereas, our Committee on Memoirs have usually found great difficulty in obtaining data at the seat of Conference for suitable memoirs of brethren who have died during the year, therefore be it

Resolved, That in the case of the death of a member of this Conference, or the wife of a member, or of a deceased member, the Presiding Elder in whose district the deceased belonged be requested to appoint some suitable person to secure the necessary data for a suitable memoir of said deceased for the Committee before the session of the Conference.

Resolved, That the clerical members of the Conference be

requested to furnish the Editor of the Conference Journal a succinct history of himself.

CHURCH EXTENSION.

Be it Resolved, That each church securing assistance from the Church Extension Board shall be required to secure the refunding of the sum donated in the event of the property being alienated from the Methodist Episcopal Church, South, by entering and recording a mortgage for the sum donated.

MEMOIRS.

REV. J. D. HARPER.

Rev. Jacob Dick Harper was born in Shelby County, Alabama, March 19, 1846. He died in McDonoghville, La., March 17, 1922, and was buried on his birthday, March 19, at Mansfield, La. His parents were Henry W. Harper and Juliana Pierce. Both were natives of Virginia. Members of his father's family were in Washington's army at Yorktown. There were five sons and two daughters; of these, two survive: Mrs. Amanda Akin, of Bernice, La., and Dr. Webb Harper, of Ruston, La.

About 1850 the family moved from Alabama to the northern part of Louisiana. At this time quite a number of families migrated from Alabama to Louisiana. A Methodist church was built by these settlers near the line of Claiborne and Union Parishes and was named Alabama Church. The Harpers were Methodists and cast in their lot with this church. Brother Harper joined the church on probation, August, 1859, was converted in October of that year, and received into the church by Rev. C. W. Hodge in 1860.

He was recommended for admission into the itinerant ministry by the Farmerville circuit, Ouachita District, and admitted on trial by the Louisiana Conference in January, 1873. This session of the

Conference met in the old Carondelet Street Church in New Orleans, Bishop Pierce presiding. He was admitted into full connection in 1875 and ordained elder by Bishop Wightman in December, 1876.

During his nearly fifty years of uninterrupted service in the Louisiana Conference Brother Harper served the following charges: Washington, 1873; Arcadia, 1874; Plaquemine and Gross Tete, 1875; Evergreen Circuit, 1876; Lake Charles, 1877; Opelousas District, 1878-79; Alexandria and Pineville, 1880-81; Columbia, 1882-85; Alexandria District, 1886; Delhi District, 1887-90; Ruston, 1891-93; Homer, 1894; Arcadia District, 1895-96; Mansfield, 1897-98; Delhi District, 1899; Alexandria District, 1900-03; Lafayette, 1904-07; Bunkie, 1908-09; Winnfield, 1910-11; Zachary, 1912-15; Opelousas, 1916-20; Mc-Donoghville, 1921 to March, 1922.

Brother Harper's opportunities for an education were limited, indeed, so far as schools are concerned. He attended an "old field school" until the beginning of the Civil War. In this school he had as a classmate Col. J. W. Nicholson, who was subsequently professor of Mathematics at the Louisiana State University. Brother Harper was a great reader and lover of great books. He was diligent in study and tenacious in his grasp of what he read. He acquired a large fund of information and a mastery of his mother tongue. His ability found early recognition. He was made a presiding elder only one year after his own ordination as elder and was returned to that office a number of times. I served with him in the cabinet and bear witness to his fidelity and fairness in the discharge of his duties there.

At the time of his death he had been preaching fifty-two years, and was in his fiftieth year in the Conference. He had attended every session since his admission on trial and had never missed a first roll call. Late in life he could say that he had never been out of the Conference room when his name was called.

He was methodical and precise in his working habits. What tasks were committed to him he attended to with conscientious and cheerful diligence. He was self-possessed and clear in his view of men and issues. Because of these qualities he was called upon to serve in many important affairs of the Conference. He knew our church law, and was fair in his dealings with the rights and interests of other men. His high place in the Conference is indicated by the numerous boards and committees he was called upon to serve. He was secretary of the Board of Education, chairman of the committee on Conference Relations, president of the Board of Church Extension, and of the Board of Missions, eight years a member of the General Board of Church Extension. He was frequently on committees of examination. In all of these places his work was well done. He was ready for whatever came.

During the latter part of the Civil War he served in the Confederate Army, and was stationed at Alexandria, La., where he

labored in the construction of those forts, the remains of which may now be seen above the town on the opposite bank of the Red River. Three of his brothers served in the army of the Tennessee, the eldest of whom found a soldier's grave at Corinth, Miss.

Brother Harper was genial in temperament and had the real human touch. He loved to hunt and fish. The call of the wild found him a ready listener. He was not averse to a game of chess, enjoyed his friends, and took his part in the social life of the community.

As a preacher he followed the expository and practical method. He was thoroughly conversant with the theology of evangelical Christianity and presented its teachings with clearness and enforced its practical demands upon the hearts and lives of his people. His own religious life was a uniform progress towards the Eternal City. He settled all questions definitely. There was no uncertain place in his religious convictions. His love feast testimonies were always clear, spiritual and marked by the modesty which adorned his character. He was a good man, full of faith and the Holy Spirit. He wrought well. His works follow him. "I know thy works, and charity, and service and faith, and thy patience, and thy works; and the last to be more than the first."

There remain to mourn their loss, the beloved wife, who was Miss Virginia Fox, of Alexandria, La., and his two daughters, Mrs. S. P. Woolfolk, of Baton Rouge, La., and Miss Ruth Harper, of New Orleans, and Rev. R. H. Harper, pastor of the First Methodist Church, of New Orleans.

F. N. PARKER.

REV. J. H. BROWN.

About five o'clock, April 23, 1922, James Henry Brown passed to his reward, after a lingering illness caused by paralysis. Brother Brown was born in Claiborne County, Alabama, July 22, 1849. He was seventy-two years, seven months, and one day old. He was converted when about eighteen years of age, and first joined the Presbyterian Church, but soon after became a member of the Methodist Church and was licensed to preach on Moss Point charge, Seashore District, Mississippi Conference, in 1878, Rev. Charles Calhoun, pastor in charge, and Rev. Mr. Price, presiding elder. He served as a local preacher and colporteur, both in the Mississippi and North Mississippi Conferences. He was admitted on trial and elected to deacon's orders in the North Mississippi Conference, December 2, 1883, under the presidency of Bishop H. N. McTyeire. He was also elected to elder's orders in 1889. He served the following charges in the North Mississippi Conference: Marietta, 1884; La Grange, 1885; Hickory Flat, 1886; Panola, 1887; Water Valley, 1888-89-90. He transferred to the Louisiana Conference December, 1890, and was stationed on the Evergreen charge in 1891; Many, 1892; Farmerville, 1893; Plantersville, or Bonita, 1894; Gansville, 1895-96-97-98; Gibsland, 1899;

Vernon, 1900; back to Gansville in 1901; Gilbert, 1902. His health failing him, he gave up his work in August and took the supernumerary relation in the Conference. In 1903 he went back on the effective list and was sent to Sibley in 1904. His health failing him again, he took the superannuate relation in the Conference, which relation he sustained until God took him.

No paster ever served his people more unselfishly and untiringly than did Brother Brown. He was a man who possessed many splendid traits of character. He was loved by all who knew him, and especially by the children. When the Prince of Orange died, it is said, "The children cried in the streets." When Brother Brown died the children with others gathered flowers until they were literally banked on and about his casket. Brother Brown did not have the educational advantages that many have had, yet he lived a big life among those with whom he came in contact. He was cheerful and bright, always more thoughtful of others than of himself. His loyalty to his church was untiring, a constant attendant upon her services, thoughtful of his pastor and his family. There was constant sunshine in his life. He leaves to mourn his loss his devoted wife, three sons, Walter Brown, Jena, La., Reid Brown, Jonesboro, La., John Brown, of Hodge, La., and two daughters: Miss Edna Brown, of Los Angeles, Calif., and Mrs. Bessie Calloway of Jonesboro, La.

Brother Brown was a man of great faith in God. "Know ye not that there is a prince and a great man fallen this day in Israel?" 2 Sam. 3: 38.

J. C. PRICE.

REV. WILLIAM ANDREW MANGUM.

To the roll of those who have served in the ministry of the Louisiana Conference and have finished their labors, we are adding today the name of William Andrew Mangum. The death of this rare and noble young man, coming at a time when in human reason he seemed needed most as husband, father and minister, has added another mystery to the many mysteries of human existence. The ancient Greeks used to say, "Whom the Gods love die early." Be that as it may, we take comfort in believing that our God knows best, and trusting in Him we bow humbly to his will; for He who gave to us has a right to His own. "The Lord gave and the Lord hath taken away; Blessed be the name of the Lord."

William Andrew Mangum was born in Trenton, Miss., August 29, 1882, and died Friday afternoon, at 4:15, March 24, 1922, at Shreveport, La. His father was the eldest son of Wm. E. Mangum, a pioneer farmer of Mississippi. And his mother was the daughter of Rev. R. S. Sibley, a pioneer preacher of southern Mississippi. William Andrew was the fourth child of seven children, five boys and two girls. His parents having died when he was a child, he, his eldest brother and

his sister were cared for by his mother's people and the other children were taken by the relatives of his father. He was sent to the public schools at Trenton, Miss. and after his graduation there was employed as a farm hand and an ox-driver by Mr. J. C. Bell of Trenton, Miss.

When a child he was converted and later felt a call to preach. He entered a training school at Montrose, Miss., and later attended Beeson College at Meridian, Miss. After leaving Meridian he became interested in a business life and served as clerk and bookkeeper for several years, but the call of the Lord was upon him and he was licensed to preach. After serving one year as junior preacher in the Mississippi Conference, he decided to join the Louisiana Conference. A vacancy having occurred at Pine Grove, La., he was appointed, September, 1912, to that charge and finished the Conference year at that place. In the fall of the same year he was received into the Louisiana Conference on trial. His first regular appointment was at the Keener Memorial at Baton Rouge. He served this charge for two years, and while there he enlarged the auditorium, added a number of Sunday Schools rooms to the building, and gave a strong impetus to the spirit of the congregation. Since then he has served three other charges two years each: Denham Springs, McDonoghville and Bernice. In the fall of 1920 he was sent to the Queensborough Church of Shreveport and while here his summons came to cease his labors. His ministry with the Queensborough Church lasted only about sixteen months, but though short in time, the results of his labor would be a credit to a lifetime service. In 1921 his church received more members than any other church in the Louisiana Conference. In the same year from his church two young men were licensed to preach, and a local preacher who had been an itinerant preacher was influenced to leave the local ranks and to join the Louisiana Conference. Also a large brick church building was started in the same year and was well toward its completion when the summons came.

The energy with which he pressed the cause of his church and Lord, and his devotion to the people whom he served so faithfully, impressed all who knew him, as one who counted not his life dear, that he might finish his course with joy and the ministry which he had received from the Lord Jesus. Truly he was one who gladly and cheerfully laid down his life for his brethren. He went his whole length for his Lord and for his people.

Brother Mangum was not only a hard worker, but a man that was great in prayer. Though weak in body he was powerful when on his knees. To him the Holy Spirit was a real teacher and an abiding helper. A favorite expression in his public prayers being, "Come, O Holy Spirit, Heavenly Dove, with all thy quickening power," and not infrequently under the power of his prayer, the walls of the natural gave way, and for a time he and his congregation seemed to cross

the borderland of the supernatural. His prayers remain fresh and though the heart that gave birth to them has ceased to beat, yet to us they are fresh and to us they speak.

Brother Mangum was taken sick with influenza about the middle of March and after a few days pneumonia developed. All that science and a loving people could do was done for him. Bravely he bore up, but at last the physical man could bear no more, and on Friday afternoon at 4:15, March 24th, 1922, the battle ended.

His funeral services were held on Saturday afternoon, March 25th, in the Queensborough Methodist Church, by Dr. R. H. Wynn, his presiding elder, assisted by the preachers of Shreveport and vicinity. His body was laid to rest in the Odd Fellows' Retreat, of the Greenwood Cemetery of Shreveport.

As a tribute to his memory the congregation that he served decided to change the name of their church from the Queensborough Church to the Mangum Memorial Church.

The Pastor's Association of Shreveport, of which he was a member, passed the following resolution:

Be It Resolved, That in the death of Rev. W. A. Mangum we have lost one of our most honored and beloved pastors. Bro. Mangum had not been in our city long and was a stranger to many of us when he came to labor here. But his deep spirituality and his earnest consecration to the cause of our Master brought him immediately into our fellowship and love. The aggressive spirit in which he went about his Lord's business secured for him an appreciation on the part of all the pastors. We are grateful to the church which, having lost their pastor, express their love for our deceased brother by making their church a Memorial Church. This is indeed a worthy honor to the memory of a worthy man. In the going of Bro. Mangum our association has lost a most beloved and honored member, whose memory will linger long in our minds and serve as an incentive for more consecration and piety.

J. F. McKENZIE,
CLAUDE L. JONES.

We miss him; we will miss him, but his consistent life and triumphant death are sources of inspiration and hope not only to his friends and brethren in the ministry, but also to relatives, children, and devoted wife, who, smiling through her tears, takes hold bravely of her task, confident that she shall see again her faithful companion.

R. S. WALTON.

MRS. MARTHA KELLER MILLER.

Mrs. Martha Keller Miller, wife of Rev. C. C. Miller, of the Louisiana Conference, died in Baton Rouge, La., Monday, November 20th, 1922, at 12:45 A. M., after a few days' illness. The funeral

services were held in Keener Memorial Methodist Church on the same day at eleven o'clock in the morning, conducted by the writer, assisted by the Protestant pastors of the city.

Mrs. Miller was born sixty-three years ago at Lake Providence, East Carroll Parish, where her early life was spent. She came of one of the State's leading and most influential families, being the daughter of Mr. Oliver Keller and Mrs. Emily Bass Keller. Her father died when she was fourteen years old, leaving her mother with a helpless family of small children of whom she was the oldest but one. With commendable pluck and perseverance she cared for and educated two of the younger children, at the same time preparing herself to teach, rising to places of responsibility and ranking among the best instructors in our public schools.

Very early in life she united with the Methodist Church in which faith she lived, wrought and died. Twenty-seven years ago she was married to Rev. C. C. Miller, then a teacher in the public schools, later professor in and president of Centenary College.

Mrs. Miller was an ardent prohibitionist and gave much of her active service to lecturing and organizing the women in this great cause. In the literary world she made a place for her name as the author of one or more books of vigorous thought and literary merit.

The subject of this sketch was a woman of strength of character and decided convictions. Her life was an open book known and read of all. She had no toleration for cant or compromise on questions of right or wrong, standing unyieldingly and ever for the highest ideals and most vital interests of the church. Her's was an intense nature, expressing itself openly and fearlessly without regard to personal consequences. At any time she would have counted it a privilege to suffer and even die for those whom she loved. A valued citizen, a good neighbor, a loyal friend, a true wife and devoted mother, a faithful church worker, and a good woman has gone to her reward.

Mrs. Miller's death while not expected was not a surprise to those who lived closest to her. Under the strain of over-work during the World War her health broke completely and since that time she had been practically an invalid.

In her going, besides her husband, she leaves an only sister, Mrs. W. F. Melton, whose husband is head of the English Department of Emory University, Atlanta, Ga., and two step-children who never knew any other mother.

"Why should our tears in sorrow flow
When God recalls his own,
And bids them leave a world of woe
For an immortal crown?"

CHAS. W. CRISLER.

MANSFIELD FEMALE COLLEGE

MANSFIELD, LA.

Property of the Legal Conference of the M. E. Church, South; and is responsible to the Louisiana Annual Conference for its policy and its teaching. Founded in 1854.

Stands unequivocally for the education of girls in a separate institution from boys, and believes it does render a far better service since experience has demonstrated what common sense dictates.

Asks support not on loyalty, but on its own demonstrated merit. Makes no fight on other schools, state or church; does not cut prices nor make other inducements to get students. Is not trying to be cheap; but so run that in nine years of the present administration it has paid every bill in full and added each year from one to four thousand dollars to upkeep and equipment.

Accredited by the State in all grades of the High School department, and in the Teachers' Course as well. A Junior College with 17 teachers from the best institutions. Makes no claims to nor bids for the idle, the lazy, the snobbish, the disobedient, and uncontrolled at home. The wealthy and poor alike must work, learn self-control, form right habits of living, become obedient to rightful authority, acquire a sense of values, form ennobling friendships. Books are but means to an end; teachers must be themselves living epistles of Christian womanhood.

Offers advantages in Music (Pipe Organ, Piano, Progressive Series, if desired, Violin, Voice, Theory, Harmony, History of Music) and Expression. Experienced graduate nurse employed. Director in charge of all Athletics. Large Swimming Pool, Basketball Court, and Tennis.

Give us the girls of today, and we will make the life of to-morrow. As are our women, so are our men. Educate the boys, of course, but our girls make our Christian civilization of to-morrow.

Buildings in better condition and with more conveniences and comforts than at any time before. Valued at \$175,000. Gas heat, electric lights, hot and cold baths. Campus of eight acres.

R. E. BOBBITT, President (Eleventh Year).
